Take a trip back in time and experience old world England as historic downtown Cambridge, Ohio is charmingly transformed into a Dickens Victorian Village. A guide in Victorian character will step on board the Fun Bus and take us around some of the 92 scenes of 180 lifelike figures representing classic scenes from the Victorian era. The Dickens Victorian Village scenes are comprised of life sized and hand-made mannequins wearing real vintage clothing. The faces for each character are individually sculpted and painted by local artists. The displays include engaging depictions of classic Dickens-era scenes and figures such as Bob Cratchit and Tiny Tim, the town crier, groups of carolers, a bucket brigade, lamplighters, school children, street peddlers, and Father Christmas, all posed in active scenes that appear frozen in time.
