"Take the bait, spring can't wait!"

On the last Saturday in January, Buckeye Lake turns to Benny the Bass to predict the fate of spring. Benny's prediction is based on breakfast. Benny has three minutes to eat a minnow, if he does, it's an early spring. If he doesn't, it's six more weeks of winter.

Once the decision is made the party begins!

***Remember to tip your driver & guide for safe driving and for making this a spectacular day!**
